Hi Linda,

It was great speaking with you today. Attached is the briefing with Amber's notes. I will review these notes and try to incorporate them and get that clean document back to you by the end of the day. If you have any questions before then please let me know.

Best,
Quinn

Good Morning Linda,

I hope you are doing well today! It is good to be back. Today I will be working on catching up on my emails and reviewing labels that were returned by registrants. I look forward to speaking to you later and I will send you a progress report of the last couple weeks as well.

Best,
Quinn
